

Hello! On the schedule it says that the Rocori games are at the HS, but 10U will be playing at the fields behind the Community Education building. I have included a picture below to show where the fields are and where to park. There is a privately owned complex next to our fields that has private parking so we can't park right next to our fields. The address for the St. Boniface Church/School is: 501 Main St. Cold Spring, MN 56320. This address will get you close to the parking area for our fields, but you will need to go past the school/church on 5th Ave to get to the parking area. Please let me know if you have any questions. Thanks!
Erin Koshiol
